

# Kallangur Business Association Newsletter

October 2018 Edition

## Welcome

Part of the purpose of this Newsletter is to support local businesses by sharing business tips & news, as well as our business supporting events & services.

We also like to support our local community organisations, by sharing information on upcoming events or fundraisers.

If you would like us to include information you think our local businesses will want to know, please email us at [secretary@kallangurbusinessassociation.org.au](mailto:secretary@kallangurbusinessassociation.org.au).

Because we don't like to spam our mailing list, (as no one likes spam), we will save as much information for our monthly Newsletter, released just before the start of each new month.

## AGM Moved Again

With majority of our members being business owners or business managers, it is no surprise that our Management Committee consist mainly of these too.

We all know how much time it already takes to run a business and take care of the family, so being involved in the Management Committee means juggling Association tasks in and around business & family life.

To ensure we are fully prepared for the AGM, we have had to again move the AGM date. Now to the November General Meeting date of 5<sup>th</sup> of November.

This will ensure we are fully prepared for the meeting, as well as still holding it within our required 6 month post end of financial year deadline (as per our constitution).

With this in mind, if you want to join the committee and help lighten our load, please send our Secretary an email.

**New AGM Date: 7pm Wednesday 7<sup>th</sup> November** – at the Murrumba Downs Tavern.

## Next General Meeting

Our next General Meeting is **7pm Wednesday, 3rd October**, as per normal at the Murrumba Downs Tavern.
